The Elder Ed Players Present

Points of Life

Connecting Families Across Generations

*A Collaborative of Professionals and Specialists in
Serving the Needs of a Changing Society*

*What to do when life happens or
Reality does not have to bite!*

Life is not a problem to be solved but an adventure to be lived!

In these funny and informative vignettes, The Elder Ed Players discuss the complexities of a changing society. Our Expert Panelists will then address legal issues, financial matters, care, cost of care, family communication, family life planning and many other issues.

SCENE ONE: HELP! MY HAIR IS ON FIRE!

SCENE TWO: DENIAL IS NOT A RIVER IN EYGP

SCENE THREE: PUSHING UP DAISIES
